- 19.3. In no event shall OmboriGrid, its Affiliates, employees, agents and/or sub-contractors be liable to the Customer to the extent that the alleged infringement is based on or results from (i) a modification of the Service (or any part thereof) by anyone other than OmboriGrid; (ii) the Customer's use of the Service (or any part thereof) in breach of this Agreement, the Acceptable Use Policy, or in a manner contrary to the instructions given to the Customer by OmboriGrid; (iii) any Customer Data or Feedback; or (iv) the Customer's Use of the Service (or any part thereof) after notice of the alleged or actual infringement from OmboriGrid or any appropriate authority.
- 19.4. OmboriGrid's liability under this Section will be reduced proportionately to the extent the liability was caused or contributed to by an act or omission of Customer, any of its Affiliates, or any User.

- 21.5. Upon expiry of the Retention Period, OmboriGrid has no obligation to maintain or make available any Customer Data to the Customer and has the right but not the obligation to (i) permanently delete all Customer Data in all Customer's Accounts; and (ii) maintain Customer Data that Customer or any of its individual Users has not deleted from its Account, subject to the terms and conditions of this Agreement.
- 21.6. Any provision that by the very nature of which should survive, shall survive any termination or expiration of this Agreement.

22. FORCE MAJEURE

- 22.1. If a Party is prevented from fulfilling its non-monetary obligations (i.e. obligations other than the payment of Fees or other compensation) under this Agreement due to a Force Majeure Event, performance by that Party of its non-monetary obligations under this Agreement shall be extended by any period of delay caused by the Force Majeure Event.
- 22.2. A Party affected by a Force Majeure Event shall immediately inform the other Party in writing of such occurrence. If a Force Majeure Event persists for a period of more than three consecutive months or more, each Party shall be entitled to terminate this Agreement with immediate effect by giving the other Party written notice thereof.

23. GENERAL

- 23.1. Neither this Agreement nor any rights or obligations of the Customer hereunder shall be assignable or transferable by the Customer. Any purported assignment or transfer in violation of the foregoing shall be null and void. OmboriGrid may assign this Agreement in whole or in part in its sole discretion. Furthermore, OmboriGrid may freely assign the right to collect payment in accordance with the Agreement. This Agreement shall be binding upon and inure to the benefit of the Parties and their permitted successors and assigns.
- 23.2. Notwithstanding the use of any Approved Partner, OmboriGrid retains all rights to act against the Customer in order to protect OmboriGrid's interests. The obligations on the part of the Customer and the rights and limitations of liability on the part of OmboriGrid contained in this Agreement shall, mutatis mutandis, apply, operate and take effect also for the benefit of, and shall be enforceable by, OmboriGrid's Affiliates and/or Approved Partners, their successors and assigns, jointly and severally.
- 23.3. In no event shall any failure, delay or omission by OmboriGrid to enforce, exercise, or pursue any right or provision in this Agreement constitute a waiver of such or any other provision, nor shall any single or partial exercise by OmboriGrid of any right or provision prevent any further or other exercise or the exercise of any other right or provision in this Agreement. OmboriGrid will not be responsible for failures, delays or omissions to fulfill any obligations due to causes beyond its control.
- 23.4. If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited to the minimum extent necessary so that this Agreement shall otherwise remain in effect.
- 23.5. This Agreement may be supplemented, modified or amended unilaterally by OmboriGrid at any time (provided that such amendments will not apply retroactively) by way of applicable OmboriGrid online terms or OmboriGrid website terms accepted by the Customer from time to time (including shrink-wrap, click-wrap, click-through, click-accept or by continuing to Use the Service after due notification). If the Customer does not agree to the supplemented, modified or amended Agreement, the Customer must immediately stop Using the Service.

- 23.6. The original of this Agreement has been written in English. Customer waives any rights it may have under the law of its country to have this Agreement written in the language of that country. This Agreement shall be equally and fairly construed without reference to the identity of the Party preparing this document as the Parties have agreed that each participated equally in negotiating and preparing this Agreement, or have had equal opportunity to do so. The Parties waive the benefit of any statute, law or rule providing that in cases of uncertainty, contract language should be interpreted most strongly against the Party who caused the uncertainty to exist.
- 23.7. The headings and titles to the articles and sections of this Agreement are inserted for convenience only and shall not be deemed a part hereof or affect the construction or interpretation of any provision hereof.
- 23.8. The relationship between OmboriGrid and the Customer is that of independent contractors and each Party's obligations to the other Party are exclusively contractual in nature. Nothing in this Agreement, or in connection with the performance of the Service, expressly or by implication, shall create a partnership, joint venture, corporation, employer-employee, fiduciary or agency relationship between the parties, or any responsibility by one Party for the actions of the other Party.
- 23.9. The rights and remedies available to OmboriGrid under this Agreement are not exclusive, and may be exercised alternatively or cumulatively with any other rights and remedies available to OmboriGrid under this Agreement, by law, or otherwise.
- 23.10. This Agreement, including the Acceptable Use Policy and the Privacy Policy, is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement.

24. GOVERNING LAW AND ARBITRATION

- 24.1. The Agreement shall be governed by, and construed and enforced in accordance with the substantive laws of Sweden without regard to its conflict of laws principles.
- 24.2. Any dispute, controversy or claim arising out of or in connection with this contract, or the breach, termination or invalidity thereof, shall be finally settled by arbitration administered by the Arbitration Institute of the Stockholm Chamber of Commerce ("**SCC**"). The Rules for Expedited Arbitrations shall apply, unless the SCC in its discretion determines, taking into account the complexity of the case, the amount in dispute and other circumstances, that the Arbitration Rules shall apply. In the latter case, the SCC shall also decide whether the Arbitral Tribunal shall be composed of one or three arbitrators. The seat of arbitration shall be Stockholm. The language to be used in the arbitral proceedings shall be English.
- 24.3. All arbitral proceedings conducted under this Agreement shall be kept strictly confidential, and all information, documentation or material in whatever form disclosed in the course of such arbitral proceeding shall be used solely for the purpose of those proceedings.
